Info

- **Attendance and tasks results:**
  - In case you do not attend lecture without a reason (should be informed in advance), you can study materials on your own and try to not disturb the lecturer with many questions.
  - Deadlines for tasks results: shown in the table and course webpage. Task-1 and Task-2 do not require demonstrations, the rest of the tasks (including the Final Assignment) should be present during the corresponding Demo(s) (see the table on the previous slide).
  - Every task result influences on final grade. Be sure that you deliver all the task results in time.

- **Final assignment**
  - Final assignment makes half of the final grade.
  - Deadline: **December 16th 2018, 23:59**
  - Demo-3: 17.12.2018
  - *Demo-4: 18.12.2018(if needed)*
